SUBJECT: International Registration Plan (IRP) Cab Card

On January 12, 2009, the New Jersey Motor Vehicle Commission (MVC) began using a new apportioned registration cab card under the International Registration Plan. The MVC also issues a brand new temporary cab card for use by registrants utilizing the agency's Web site to renew their registration.

The documents are printed on stock 8 ½" x 11" white paper with black ink. The cab card has the words "NEW JERSEY APPORTIONED CAB CARD" printed at the top of the page. As a new security feature, the card features a bar code located on the middle-right portion of the card. The temporary registration also contains a bar code located at the bottom-right of the page and the words "TEMPORARY VEHICLE REGISTRATION" printed at the top.

Both documents contain the signature of the MVC Chief Administrator along with the seal of the State of New Jersey.

Samples of each cab card are attached.
