Chris VanMaaren, NYSDEC Erik Silldorff, DRN
Peter Sharpe, NPS Sheila Eyler, DRBFWMC
Lori Emery, NYCDEP Garth Pettinger, TU
Molly Hesson, PWD

FROM: Jake Bransky, DRBC liaison to SEF
DATE: January 10th, 2020
SUBJECT: Agenda for SEF meeting on January 21st, 2020

A meeting of the DRBC Subcommittee on Ecological Flows is scheduled for **Tuesday, January 21st, 2020** at the **Lake Wallenpaupack Environmental Learning Center**. The meeting which is open to the public, will begin at **10:00 AM** and is scheduled to end at **3:00 PM**. Please pack a lunch for this meeting.

Purpose:

Rapid Flow

- 1) Present and discuss rapid flow change report
- 2) Reach group consensus on a recommended rapid flow change protocol
- 3) Layout any additional steps for completion of rapid flow mitigation work (if necessary)

Thermal

- 1) Review any additional thermal analyses that have been performed since last meeting

Expected Outcomes

- Group consensus on a recommended rapid flow protocol

PROPOSED AGENDA

10:00 – 10:10 Welcome, introductions, and SEF business (Chair)
10:10 – 11:10 Discussion of rapid flow change report (Eyler)
11:10 – 12:30 Additional RFC discussion culminating in group consensus on a recommended protocol (Group)
12:30 – 1:00 Break (prep lunch, stretch, etc.)
1:00 – 2:00 Update on additional thermal analyses (Thermal group)
