NJ DOE acting Commissioner Chris Cerf read a story to schoolchildren at the Taunton Forge Elementary School in Medford on March 1st. The event was part of the national Read Across America program, which marks the birthday of children's author Theodor Seuss Geisel, who wrote over 60 books. Most books were published under his well-known pseudonym, Dr. Seuss. Acting Commissioner Cerf read "The Sneetches and Other Stories," by Dr. Seuss. In addition, some of the children read their own stories and poems to him.
