**Re: Notice of Proposed Revocation:
EMT-Basic Certification #573822
Investigation Control # 2010-505**

Dear Ms. Kiett:

The New Jersey Department of Health and Senior Services (the Department) is vested with the responsibility of carrying out the provisions of *N.J.S.A. 26:2H-1 et seq., Health Care Facilities Planning Act*, which was enacted, in part, to assure that all hospital and related health care services rendered in the State of New Jersey are of the highest quality. As defined at *N.J.S.A. 26:2H-2b*, health care services include any pre-hospital care rendered by basic life support (BLS) personnel. In addition, *N.J.S.A. 26:2K-7 et seq.*, authorizes the Department to certify Emergency Medical Technician-Basics (EMT-B). In furtherance of the objectives set forth in the statutes, the Department has adopted regulations that govern the training, certification and professional conduct of EMT-B and EMT-B candidates. (See: *N.J.A.C. 8:40A-1.1 Emergency Medical Technicians-Basics: Training and Certification.*)

On your October 28, 2010 application for EMT-B recertification, you indicated to the Department's Office of Emergency Medical Services (OEMS) that you have a criminal history and that you have been charged, convicted, placed on probation, entered into a pre-trial intervention (PTI) program, and/or entered into a plea bargain in connection with a violation of the laws of a state, the federal government, or another jurisdiction, for an offense other than a minor traffic violation.

As a policy matter, in accordance with *N.J.A.C. 8:40A-6.2(c)*, the Department initiated an investigation into your criminal background. As part of that investigation, OEMS staff made numerous attempts to contact you in reference to the criminal history record review process. In addition, you were sent multiple copies of *SBI 212B Request for Criminal History Record Information for a Noncriminal Justice Purpose* document,

along with instructions to return all information necessary to conduct the investigation. To date, you have failed to provide the necessary information and documentation

required by the Department to complete a thorough criminal background investigation.

On November 18, 2010, you were sent a communication expressing the Department's intent to revoke your certification if you did not respond within thirty (30) days. The correspondence was sent via United State Postal Service (USPS) 1st Class mail. For your reference, it was not returned to the OEMS as undeliverable. Because the Department received no response to the correspondence discussed herein above, on December 21, 2010, you were sent another communication expressing the Department's intent to revoke your certification if you did not respond within thirty (30) days. This letter was sent via USPS 1st Class mail, return receipt requested. Thereafter, the USPS made three attempts to deliver that letter, where it was refused each time and subsequently returned to the Department as undeliverable.

In addition, OEMS staff attempted to contact you, multiple times, by telephone, USPS mail and e-mail, based upon the information you entered into the Learning Management System when you applied for your EMT-B recertification. All attempts to contact you have been unsuccessful. Be aware, your refusal to respond to the Department's requests, combined with your lack of cooperation with this investigation constitutes failure to comply with the agency empowered to enforce the provisions of the aforementioned administrative rule, *N.J.A.C. 8:40A*.

N.J.A.C. 8:40A-10.2(b) provides that "The Commissioner, or his/her designee, may issue a formal written warning, impose a monetary penalty, place on probation, suspend, revoke and/or refuse to issue or renew the certification of any EMT-Basic or EMT-Instructor for violation of any of the rules set forth in this chapter. This includes, but is not limited to:

12. Conviction of any crime;
13. Conviction of any disorderly person's offense;
15. Entry into a pre-trial intervention, conditional discharge, or other diversionary program;
17. Willful obstruction of any investigation and/or representative of the Department or other agency empowered to enforce the provisions of this chapter or any applicable law, rule and/or regulation.
23. Failure to comply with any part of this chapter, any applicable part of *N.J.A.C. 8:40* or *N.J.A.C. 8:41*, or any applicable law, rule or regulation".

Therefore, as a result of your failure to cooperate with the Department's investigation, it is the intention of this Department to revoke your EMT-Basic certification, thereby rendering you ineligible to practice as an EMT- Basic within the State of New Jersey.

Pursuant to *N.J.S.A. 52:14B-1 et seq.* and *N.J.A.C. 8:40A-10.3(b)*, you may request a hearing before the Office of Administrative Law to contest this Department's decision to revoke your EMT-Basic certification. Your request for a hearing on this matter must be submitted in writing and must be accompanied by a response to the charges contained herein. Your request for a hearing must be submitted within 30-days from the date of this Notice and should be forwarded to:

Please include the control number **2010-505** on all of your correspondence. **Finally, please note that your failure to submit a request for a hearing within 30-days shall be interpreted as an acceptance of this Department's decision, thereby negating any further appeal rights.** If you have any questions concerning this matter, please contact Ms. Jo-Bea Sciarrotta, OEMS Compliance Officer, at (609) 633-7777.
