Re: Notice of Revocation of Nurse Aide Certificate  
Certification No.: NA 8009556

Dear Ms. Saint-Louis:

The Centers for Medicare and Medicaid Services (CMS) of the U.S. Department of Health and Human Services, under authority of federal law, imposes a requirement on state governments (42 C.F.R. Part 483, et al.) to ensure that nurse aides have the education and clinical skills necessary to care for residents of long-term care facilities. These regulations also require that each State maintain a nurse aide Registry, which, pursuant to 42 C.F.R. 483.156(c)(1)(iv), must contain all substantiated findings by the State of abuse, neglect or misappropriation of resident property by a certified nurse aide.

The Office of Program Compliance of the New Jersey State Department of Health ("Department") was notified of the results of an investigation conducted by a representative of Rehab at River's Edge in Raritan, New Jersey, in which sufficient information was obtained to substantiate charges of abuse committed by you while you were employed at Rehab at River's Edge. On October 14, 2022, the Department notified you that your nurse aide certification was summarily suspended and no longer valid for the reasons set forth in the summary suspension notice.

Subsequently, you were charged by indictment with one count of Assault Upon the Institutionalized Elderly, a crime of the fourth degree, in violation of N.J.S.A. 2C:12-1d. The offense involved or touched upon your employment by Rehab at River's Edge. By Consent Order entered on November 3, 2023, you freely and voluntarily agreed to the revocation of your nurse aide certification, to surrender your original certificate to the New Jersey Department of Health, that you may never reapply for the nurse aide certification and that you are permanently disqualified from holding such a certification in the State of New Jersey.

Based on the aforementioned, the Department has revoked your nurse aide certification and placed your name on the New Jersey Nurse Aide Registry. This is a permanent revocation. Please forward your nurse aide certificate and nurse aide wallet card, as they are no longer valid.
