Re: Lifting of Curtailment of Dialysis Services

Dear Ms. Rivera:

As Jody Nocks and Jean Markey advised Mark Smith during their telephone conversation this afternoon, the Department of Health (the Department) has lifted the curtailment of dialysis services that was ordered by the Department on May 18, 2018. The curtailment was lifted effective as of today. After the report to be submitted by the facility to the Department today, no further reporting is required.

This action was taken based on a recommendation from Health Facilities Survey and Field Operations. Please call (609) 984-8128 if you have any questions regarding the lifting of the curtailment.

Sincerely
