On April 18, 2020 the Department of Health (Department) issued an Emergency Curtailment of Admissions Order, requiring the facility to remain closed to all admissions, as well as a Directed Plan of Correction, requiring the facility to, inter alia, retain consultants and report to the Department. The Department memorialized this directive in a written Order dated April 18, 2020.

The Department hereby partially lifts the April 18, 2020 Emergency Curtailment of Admissions Order to allow the facility to readmit residents who are being discharged from a hospital. No other admissions or readmissions are allowed. The Directed Plan of Correction remains in effect.

Further, you are ordered to comply with the April 13, 2020 Emergency Conditional Curtailment of Admissions Order, which is directed to all New Jersey Nursing Homes and Assisted Living Facilities.
