Dear Ms. Boland:

On October 12, 2022, the Department of Health (hereinafter, "the Department") issued a Directed Plan of Correction requiring Ivy Stone Senior Living (the facility) to, among other things, retain the full-time, on-site services of an Administrator Consultant. In addition, the Department ordered the curtailment of all admissions to the facility. This action was taken in response to a record of deficiencies observed by Department staff at the facility.

The Department has lifted, effective November 15, 2022, both the Directed Plan of Correction and Curtailment of Admissions issued on October 12, 2022.
