Fox Trail Senior Living at Deptford

Deptford, NJ 08096

On December 13, 2021, the Department of Health (Department) issued a Curtailment of Admissions Order and Directed Plan of Correction (DPOC). The Curtailment required the facility to curtail all admissions and the Certified Medical Aide program (CMA). The DPOC required the facility to retain the full-time services of an Administrator and Registered Nurse (RN) consultants who were required to work on site for at least 40 hours per week.

As of March 4, 2022, the Department lifts the December 13, 2021 Curtailment of Admissions, Curtailment of the CMA program, and the Directed Plan of Correction.

If you have any questions, please contact Jaymes Brill in the Office of Program Compliance at Jaymes.Brill@doh.nj.gov. For COVID-19 updates, please continue to check the Department's website for routinely updated information <https://www.nj.gov/health/cd/topics/ncov.shtml>.
