On March 13, 2023, the Department of Health (Department) issued a Curtailment of Services Order. The curtailment prohibited all services involving the use of sterilized instruments, to include pap smears, IUD (intrauterine device) insertions and birth control implant insertions. The Curtailment applied to services involving the use of sterilized instruments for all primary care services, gynecological services, and dental services, effective March 10, 2023.
