MEDICAID COMMUNICATION 87-1

TO: County Welfare Directors

DATE: January 19, 1987

SUBJECT: Renewal of the Community Care Program for the Elderly
and Disabled (CCPED) - Medicaid's Waiver

The Division of Medical Assistance and Health Services is pleased to announce that it has recently received approval from the Health Care Financing Administration, HCFA, for a five-year renewal of the Community Care Program for the Elderly and Disabled (CCPED). The Community Care Program for the Elderly and Disabled will continue to serve eligible recipients through September 30, 1991.

A recent increase in community care slots from 1800 to 2100 slots, announced in Medicaid Communication 86-7, has been distributed statewide in response to needs expressed by the counties. The revised listing of the slot allocation is attached.

A revised CCPED Operational Procedures Manual incorporating program changes will be forwarded to you in the near future.

Your continued cooperation and assistance in making this program a successful community alternative for our elderly and disabled population are most appreciated.

Sincerely yours,
