MEDICAID COMMUNICATION NO. 97-20

DATE: November 14, 1997

TO: County Welfare Agency Directors

SUBJECT: Qualified Medicare Beneficiaries Outreach

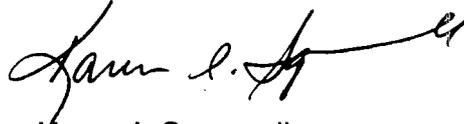

This is to advise that county welfare agencies (CWAs) may receive inquiries as a result of a recent outreach by the Health Care Financing Administration to inform individuals of programs that will help them meet their medical expenses. The current mailing was sent to new Medicare beneficiaries who appear to meet the income criteria of the Qualified Medicare Beneficiary (QMB) program, who do not receive Supplemental Security Income (SSI), and have no one else paying their Medicare premiums. In New Jersey 6,566 potential QMBs were targeted to receive this outreach letter.

The QMB eligibility criteria, with the exception of the Medicare Part A enrollment requirement, is identical to that under New Jersey Care...Special Medicaid Programs. For Medicaid purposes, there is no distinction between the programs.

Therefore, there is no special case processing required. Persons contacting the CWA expressing interest in QMB coverage should be processed the same as any aged, blind, or disabled applicant for New Jersey Care. Please advise all agency staff, including telephone operators, that those inquiring about QMB coverage should be processed for possible New Jersey Care...Special Medicaid Programs eligibility.

Any questions concerning this communication should be referred to the field service staff assigned to your county.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen I. Squarrell". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Karen I. Squarrell
