Over the past few years, our respective agencies have experienced the growth of a number of medical programs, including the recent implementation of the NJ FamilyCare program.

In response to these expansions, the Division recognizes the need to provide ongoing technical support to your staff in the eligibility operations of our various medical programs, including NJ FamilyCare, AFDC Medicaid, former NJ KidCare, all segments of the New Jersey Care...Special Medicaid Programs, and the Medicaid Only program. As a result, we have established a county operations unit within the Bureau of Eligibility Policy.

Effective immediately, the following staff have been assigned to provide technical assistance and support to your agency staff.
