"Behavioral Support Committee (BSC)" means a group of individuals who have clinical expertise and experience in evaluating strategies and approaches to behavior change. The charge of the BSC is to make judgments and recommendations regarding the safety, effectiveness, duration and need for proposed behavior interventions that are restrictive or intrusive in nature. The BSC review provides for the level of due process subsequent to that provided by the individual's interdisciplinary team.

"Chief Executive Officer (CEO)" means the person having administrative authority over, and responsibility for, a provider agency under contract with the Division, a State-operated developmental center, or a private residential facility licensed under [N.J.A.C. 10:47](#).

Minutes shall include, but are not limited to: the date and time of meeting, who called it to order, who attended, all motions made, any conflicts of interest or abstentions from voting, when the meeting ended, and who drafted the minutes. Minutes shall include a brief summary of each matter addressed, the discussions conducted, a short statement of each recommendation made by the Committee, and a brief explanation of the rationale for the recommendation.

"Interdisciplinary Team" means a group that consists of the individual receiving services, the plan coordinator, the legal guardian, the DDD case manager, the parents or family member (if the adult desires that the parent or family member be present), advocates and friends, those persons who work directly with the individual served, and professionals and representatives of service areas who are relevant to the identification of the individual's needs and the design and evaluation of programs to meet them. The individual may identify additional persons who shall be invited to attend and participate.
