NJ - New Jersey Administrative Code > TITLE 10. HUMAN SERVICES > CHAPTER 42B. MODERATE SECURITY UNIT > SUBCHAPTER 3. PROCEDURES

§ 10:42B-3.1 Procedures prior to admission to MSU

- (a) The following procedures shall be implemented prior to admission of an individual to the MSU.
1. If the Division is advised by a court of competent jurisdiction that an individual, who may be developmentally disabled, is involved in a criminal proceeding before the court, the Division shall determine whether the individual is eligible for functional services provided by the Division in accordance with [N.J.A.C. 10:46](#).
 2. If the Division determines that the individual is not eligible for services, the individual may appeal the ineligibility decision and request a hearing in the Office of Administrative Law in accordance with [N.J.A.C. 10:48](#). The regional office shall advise the party making the referral to the MSU, in writing, and advise the court.
 3. If the individual is determined eligible for Division services, or if the individual had been determined eligible for Division services prior to the filing of criminal charges, the Division shall request the MSU Director to determine whether the individual is appropriate for, and will benefit from, admission to the MSU and whether a vacancy exists.
 4. The MSU Director will schedule a meeting with the MSU Admissions Committee to review the record to determine if the individual will benefit from the services of the MSU. The MSU Director and the Admissions Committee may determine that an individual may not benefit from the services at the MSU because the individual has a severe psychiatric disorder or a low level of functioning or lack of communication skills, which would preclude him from participating in individual or group counseling.
 5. If the individual is appropriate for, and will benefit from, admission to the MSU and a vacancy exists, the MSU Director shall advise the court and request an order to require the individual to be housed at and participate in the program at the MSU. Since admission to the MSU can only be made by an order of the court, the MSU Director or the MSU Coordinator shall offer to assist the court in drafting the order to the MSU.
 6. If the MSU Director is not certain about the appropriateness of the admission of the individual, the MSU Director may recommend to the court that the individual be admitted to the MSU for a time-specified period to evaluate the individual's appropriateness for the program at the MSU. If the charges are dropped or, for any other reason, the court does not sentence the individual, the court shall notify the MSU Director and the individual shall be released pursuant to the specific directions in the court order or in the absence of specific directions in the court order, the MSU shall begin the transition process for the release of the individual to a less restrictive setting.

§ 10:42B-4.1 Action of the court for admission to the MSU

(a) After the MSU Director advises the court that the individual may be admitted to the facility in accordance with the provisions in [N.J.A.C. 10:42B-3.1](#), the court may order the individual be housed at and participate in the program at the MSU:

1. As a condition of probation;
2. Until disposition of pending criminal charges against the individual; or
3. Into the care and custody of the Commissioner of Human Services, in accordance with the provisions of [N.J.S.A. 2C:4-6](#), if the court finds that the individual is unfit to proceed because it has been determined that he is unfit to stand trial. The Division will make every effort to restore the individual to competency to stand trial. Throughout this process, the individual's competency is periodically reviewed by a court of competent jurisdiction to determine if the individual shall remain a Class I commitment, pursuant to [N.J.S.A. 30:4-25.1\(b\)](#) or be treated as a voluntary recipient of Division services. When the court dismisses the charges, pursuant to [N.J.S.A. 2C:4-6](#), the MSU shall begin the transition process for the release of the individual to a less restrictive setting.

(b) The MSU Director shall notify the individual, legal guardian, his legal representative, if applicable, MSU Coordinator and the referring region of the date of admission to the MSU.

(c) While the individual is in the MSU, the referring region shall keep the case open and shall be responsible to attend any IDT meetings.

§ 10:42B-6.1 Provisions for the release from the MSU

(a) An individual shall be released from the MSU when his probation period ends, upon determination by the court that the individual has not violated the terms and conditions of his probation, or his commitment to the care and custody of the Commissioner of Human Services ends or upon disposition of pending criminal charges.

(b) No less than six months before the individual's period of probation or commitment ends, the MSU Director shall advise the individual and/or legal guardian that he may request continued services from the Division after his release from the MSU.

(c) Sixty days prior to the individual's release date, the MSU Director and the MSU Coordinator shall develop a plan of appropriate Division services to be provided or made available to the individual after his release from the MSU.

1. The Interdisciplinary Team shall prepare an IHP to aid in the transition in accordance with [N.J.S.A. 30:6D-10](#) through 12.

2. The referring region of community services shall continue to be responsible to identify a community placement unless the individual's IHP provides a substantiated basis for requiring an alternative residential arrangement at the time of release.

(d) If the individual is his own guardian and does not desire services from the Division, he shall be released once the terms of the court order have been fulfilled. He shall then be discharged from services by the Community Services Regional Office where he was initially admitted to services.

A representative of the Regional Assistant Director from the referring region shall meet with the individual and provide full information in a format and manner that is understandable to him, regarding the options available to him, including the right to receive services in the least restrictive setting, the right to refuse services and the right to appeal the decisions of the Division regarding his treatment and placement.

(f) If the individual has a legal guardian, the legal guardian shall be advised of the individual's wish to leave. The Division will work with the legal guardian to discuss placements that are available and what services the Division can provide, within available resources.

(g) Before an individual who has committed a sexually violent offense, as defined in [N.J.S.A. 30:4-27.26](#), is released from the MSU, six months prior to the end of probation or commitment, the MSU Director shall require that the individual be evaluated by a psychiatrist for risk assessment and possible referral for commitment under the Sexually Violent Predator Law, [N.J.S.A. 30:4-27.25](#).

1. If the evaluation determines that the individual is likely to re-offend, the MSU Director shall contact the Division's Administrative Practice Officer (APO).

§ 10:42B-6.1 Provisions for the release from the MSU

2. The APO shall contact the Medical Director, Division of Mental Health and Addiction Services (DMHAS) to request a review by the Clinical Assessment Review Panel for commitment.
3. The Medical Director of the DMHAS shall advise the APO whether the individual shall be referred to the Attorney General's Office for commitment pursuant to [N.J.S.A. 30:4-27.25](#).
4. If it is determined that the individual cannot be committed pursuant to the Sexually Violent Predator Law, he shall be released from the MSU in accordance with the provision of (a) through (f) above.
