New Expiration Date: September 22, 2028.

**Take notice** that pursuant to N.J.S.A. 52:14B-5.1, the rules at N.J.A.C. 10:150, Organization of the Division of Deaf and Hard of Hearing, were scheduled to expire on March 13, 2021. Pursuant to Executive Order Nos. 127 (2020) and 244 (2021) and P.L. 2021, c. 103, any chapter of the New Jersey Administrative Code that would otherwise have expired during the Public Health Emergency originally declared in Executive Order No. 103 (2020) is extended through January 1, 2022. Therefore, this chapter has not yet expired and the 30-day filing date pursuant to N.J.S.A. 52:14B-5.1.c has not yet occurred, therefore, pursuant to Executive Order No. 244 (2021), and P.L. 2021, c. 103, this notice of readoption is timely filed.

This chapter contains the rules of the Organization of the Division of the Deaf and Hard of Hearing (Division). The purpose of the Division of the Deaf and Hard of Hearing is to act as an advocate for New Jersey's deaf and hard of hearing citizens by promoting increased accessibility to programs, services, and information routinely available to the State's general population. Programs and services of the Division are administered by a Director who is appointed by the Commissioner, Department of Human Services.

A technical amendment is proposed at N.J.A.C. 10:150-3.1 revising "Department of Health and Senior Services" to "Department of Health" to update the reference to the Department of Health.

The Department of Human Services has reviewed the rules and has determined them to be necessary, reasonable, and proper for the purposes for which they were originally promulgated, as required by N.J.S.A. 34:1-69.1 et seq., and in accordance with N.J.S.A. 52:14B-5.1.c(1), these rules should be readopted and continue in effect for a seven-year period.

N.J.A.C. 10:164 establishes a program of health services alternatives to total institutionalization for residents who, due to their physical and/or cognitive impairment, require medically necessary services in an ambulatory setting in order to allow them the opportunity to live in the community. The rules cover requirements for adult day health services facilities participating in the program, eligibility requirements for individuals participating in the program, payments to adult day health services facilities and billing codes. The Office of Area Agency on Aging Administration within the Division of Aging Services, created pursuant to N.J.S.A. 30:1A-14 and transferred from the Department of Health to the Department of Human Services, has determined that the chapter remains necessary, proper, reasonable, efficient, understandable, and responsive to the purposes for which it was originally promulgated, as amended and supplemented over time, and should be readopted without change.
