NEW JERSEY SCHOOLS DEVELOPMENT AUTHORITY

**Notice of Readoption
Procedures for Low-Bid Procurement of
Construction Contracts for School Facilities
Projects**

Readoption: N.J.A.C. 19:38

Authority: N.J.S.A. 52:18A-238k.

Authorized By: Manuel M. Da Silva, Chief Executive Officer, New Jersey Schools Development Authority.

Effective Date: September 22, 2020.

New Expiration Date: September 22, 2027.

Take notice that, in accordance with N.J.S.A. 52:14B-1, the rules at N.J.A.C. 19:38 were scheduled to expire on November 8, 2020 (absent the extension of this expiration date by the action of Executive Order No. 127 (2020), which extended the effect of existing rules until 90 days after the expiration of the COVID-19 state of emergency first declared in Executive Order No. 103 (2020) and extended by subsequent executive orders). Chapter 38 establishes the requirements, standards, and procedures for low-bid procurement of construction contracts by the New Jersey Schools Development Authority (SDA).

The rules address the prequalification requirements for bidders; the submission of a Project Rating Proposal and Price Proposal as the two components of a responsive bid; a prohibition on fraudulent statements in submissions by bidders; the evaluation of the elements of a Project Rating Proposal, including a firm's Project Evaluation ratings; the procedures and requirements for performance evaluations of contractors; the submission requirements for the Price Proposal; a requirement to bid within a firm's Aggregate Rating and Project Rating Limit; the rules for firms that submit simultaneous bids for multiple contracts; the procedures for withdrawal or substitution of bids prior to bid opening; the circumstances for declaring a bid irregular and rejection of irregular bids; procedures for protests and hearings; and procedures for contract execution.

The New Jersey Schools Development Authority is in the process of reviewing the existing rules to determine the extent of needed revisions or amendments, and anticipates that a notice of proposal for amendments will be issued in the near future. However, in the interim, the New Jersey Schools Development Authority has reviewed the rules at N.J.A.C. 19:38 and has determined them to be necessary, reasonable, and responsive to the purposes for which they were originally promulgated. Therefore, pursuant to N.J.S.A. 52:14B-5.1.c(1), N.J.A.C. 19:38 is readopted and shall continue in effect for a seven-year period.
