

NJ's Safe Passage Program

Safe Passage Program for 2022 (routine messages - see last pages)

The New Jersey Department of Transportation (NJDOT), along with representatives from the New Jersey Division of Highway Traffic Safety, The New Jersey State Police (NJSP), the New Jersey Turnpike Authority (NJTA), the South Jersey Transportation Authority (SJTA) and the Port Authority of New York and New Jersey partner together to display messages year round on statewide Dynamic Message Signs (DMS) to promote safety to the motoring public.

These agencies also promote our nation's laws on a regular basis by supporting the National Highway Traffic Safety Administration's (NHTSA) Safe Passage Calendar and the New Jersey Safe Passage PSA Calendar that includes safety campaigns such as: Click It or Tickle; Drive Sober or Get Pulled Over; and Buckle Up, Every Trip, Every Time. NJDOT along with these agencies promote safety awareness to motorists via an Annual Safe Passage Program

To continue to promote safety, and remind motorists of their responsibility to adhere to NJ's motor vehicle laws, the following recurring schedule of messages takes place:

1st of every month:	Regulatory messages
6th of every month:	Move Over Law messages
7th of every month:	Distracted Driving messages
14th of every month:	Distracted Driving messages
15th of every month:	Regulatory messages

A listing of all planned scheduled messages can be found on the DOT Internet under

<https://www.state.nj.us/transportation/commuter/motoristassistance/safepassage.shtm>

Safe Passage Program for 2022 (routine messages - see last pages)

Month	Theme (If Any)	Message Displayed	DMS Display (where available)	Dates Displayed
