Baseline Document Change Announcement

ANNOUNCEMENT: BDC22T-02

DATE: March 17, 2023

SUBJECT: 2023 Access Design Guidelines
- Release of the 2023 Access Design Guidelines

The 2023 Access Design Guidelines are hereby released. The new document takes into account significant changes in policy and procedure since the 2012 edition, and incorporates the new version of the New Jersey State Highway Access Management Code from 2018. Revisions to the Guidelines include updated access design procedures, definitions, section order, and new attachments.

This Announcement supersedes the following documents:

- 1) **BDC12T-01**, dated March 6, 2012, entitled *Access Design Guidelines, 2012*.
- 2) **BDC14T-03**, dated May 22, 2014, entitled *Access Alterations and Exceptions*.

Implementation Code R (ROUTINE)

Changes must be implemented in all applicable Department projects scheduled for Final Design Submission at least one month after the date of the BDC announcement. This will allow designers to make necessary plan, specifications, and estimate/proposal changes without requiring the need for addenda or postponement of advertisement or receipt of bids.
