

The most recent modifications to the NJTR-1 went into effect on January 1, 2023. The previous NJTR-1 report form collected data in 149 blocks; the new reports include an additional four blocks for a total of 153 blocks. Also, as listed below, additional choices have been added, modified, or removed for specific blocks.

Details about these changes and additional guidance on other NJTR-1 fields can be found in the latest version of the New Jersey NJTR-1 Report Manual, Edition 2.0, and appear in green text. Prior versions of the manual should be discarded.
